

## RANDWICK CITY FOOTBALL CLUB ANNUAL REPORT 2023

## PRESIDENT'S REPORT

2023 pre-season saw a bumper crop of new trialists and recruits. The Club's steady growth continued with an additional men's Sunday team and also the inauguration of our first teams for Juniors, making for a particularly auspicious club milestone.

Members and I thank the dedication of our team coaches in 2023 MPL **Robert Gold, JP Thompson, Calum McLelland, WPL SJ Cody, Jim Welsh**, AAM1 **Matt Phelan**, AAW2 **Alison Kelly, Richard Baldwin**, AAM5 **John Culkeen**, AAM7 **Hayden Gawley** AAM PHs **Ben Folino, Richard Baldwin** O30W **Mel Silva**, O45M **Stephen Nogher**, Juniors Coaches **Soren Sadeli, Jamie Kelly James Keen** and **Denay O'Reilly**

My thanks as ever go to the Club Committee who give of their intelligence and time to ensure the Club remains solvent and runs true to its ideals. Club Committee is **Jim Welsh** (Treasurer), **Amanda Davis** (Secretary), **Charlie Muscat** (Registrar), **Shane Collins** (Sponsorship/Fundraising), **Mel Silva** (Social Media), **Ben Folino** (Purple Hearts & Juniors), **Filipa Pires** (Director). Our thanks also go to our loyal sponsors of many years standing, **Ventia** and **Community Bank Clovelly**. We welcome and thank sponsors new to the Club this year **Tradeconnex, Choices Flooring** and **La Spiaggia** restaurant.

My thanks again go to our local members of parliament and Councillors who regard us highly and make time in their diaries to attend Club functions and look after our interests. Special thanks to **Matt Thistlethwaite** (Federal Member Kingsford Smith) **Michael Daley** (State Member for Maroubra and Attorney General), **Dr Marjorie O'Neill**, (State Member for Coogee), **Dylan Parker** (Randwick Lord Mayor), **Danny Said**, (Councillor South Ward).

The on field season started with a sonic boom when our MPL side defeat NPL1 side St George FC 4-2 in the Australia Cup. An unprecedented giant slaying achievement for our Club and the Competition. The result will live on in St George's memory even longer than ours. The business end of the season sees our AAM5 League and grand final runners up, AAM7 finish 2nd in the League and are eliminated in the GF qualifier. AAW30s start with 10 players and win an epic extra time elimination semi final but are also eliminated in the GF qualifier. Alas no silverware.

Planning is already underway for season 2024, our AGM and Planning Session will be held 30<sup>th</sup> October at the Randwick Club, 4<sup>th</sup> Floor at 6.45pm. All members are invited to have their say and get involved.

Best regards  
Richard Baldwin

## PURPLE HEARTS REPORT

This program continues to go from strength to strength.

We increased our junior intake from 11 to 15 this year.

Our senior group remained steady at 20 with the majority playing in the men's O35 mixed abilities team.

Our O35s men's mixed abilities had another break-out year winning all but one of their games. Our thanks again to all the players and parents for their commitment and dedication to the concept of forming a team that enables us to live our values and provide opportunities for people with a disability to play this great game of ours.

Our thanks too to Nicola Powell of the Clovelly Community Bendigo Bank whose advocacy and support enabled us to strengthen the Purple Hearts program. Without the Bank's support we wouldn't be able to provide an affordable and accessible program.

**Ben Folino, Director Purple Hearts**

## **JUNIORS REPORT**

2023 marked an important milestone in our club's history: the advent of our juniors.

It's been a missing piece in the club's jigsaw puzzle for quite a while. It was a bit perplexing and a bit of shame that our seniors' kids were going to play for other clubs and not ours.

Hopefully, this gap has been closed for the next 1000 years and that we're able to nurture the next Socceroo or Matilda, the next club president, an endless supply of coaches and volunteers, and of course, 1000s and 1000s of boys and girls who want to play footy for our great club.

It's always hard to measure success when you don't have a comparator. We had 36 kids join the juniors in our inaugural year enabling us to form three U6 teams, one U8 and one U10. I went along to many of their matches and saw a great bunch of kids at varying levels put their little hearts and soul into their football.

It's been a lot of fun getting this stream off the ground. I've had the pleasure of getting to know many of the parents and their kids (the players). It's been a lot of fun too coaching one of the U6 teams Buru (Aboriginal for Kangaroo) on Saturdays.

My thanks to Josh Beller from Choice Flooring Alexandria for facilitating sponsorship for our juniors. The business's generous support enabled us to buy new jerseys and jumpers. A note of thanks too to Maurice Lomardo whose restaurant La Spiaggia sponsored the U10s.

**Ben Folino- Juniors Co-ordinator**

### **Under-8s**

The U8s team thoroughly enjoyed their season this year. Although the team lost a number of games, they remained spirited and excited for both training and games each week. Of note was the team's pre-season game at Jellicoe Park, in which the team played through 30 minutes of downpour in frigid conditions, not including their pre-game warmup. As the season progressed,

team cohesion increased significantly and this culminated in several impressive wins in which all players equally contributed.

Each player was rotated across the field during the season to experience a range of positions, from goalkeeper to striker, and this allowed some players to discover new aptitudes. By season's end, players could describe the positional responsibility of themselves and others on the team during game time.

For some players, it was their first-time playing soccer in an official league. It was a pleasure to watch them grow in their confidence and capability throughout training and games. These players demonstrated courage and perseverance in trying new skills and persisting through exercises that challenged their previous abilities. Their attendance at training and a willingness to practice at home and school created noticeable improvements in both performance and confidence.

By season's end, the U8s team numbered only 6 players but with assistance from players of both the U10s and U6s, we were able to show a strong side for the majority of games.

**Soren Sadeli, coach**

## MENS PREMIER LEAGUE

### 1st Grade

The MPL Prems experienced an exceptionally promising season, marked by securing their highest league points and a commendable performance in the Australia Cup. Commencing with a flawless 4 game streak the team appeared well positioned to contend for a top 4 finish. However, a surge of injuries across both teams in mid season posed significant challenges.

The primary challenge during this period was the necessity to promote Reserves players to the premier division, which had adverse repercussions for both teams. In the premier team, the absence of 3 key starting players for over 2 months, including AJ O'Connor, a distinguished representative Ireland Amateur team player was particularly frustrating. As the season neared

conclusion and the team returned to near full fitness, a remarkable resurgence was witnessed, characterised by outstanding performances.

The Club made some astute acquisitions, welcoming AJ, Aaron Murphy who impressively netted 15 goals in both competitions, Fion Hurley and Martin Madden who distinguished himself by earning both Player and Coach's Awards. Fion established himself as our premier left back

In light of the positive takeaways from the season and with a rigorous preseason regime, I am confidently anticipating a top four finish in 2024.

**Robert Gold, JP Thompson, coaches**

## **MEN'S PREMIER LEAGUE REPORT**

### **Reserve Grade Season 2023**

The Reserve Grade Team had an entertaining and challenging season in 2023. Showcasing their talent, determination, togetherness and passion for the beautiful game. This season summary will provide an overview of their performance, key highlights and achievements.

#### **Performance Overview;**

The team competed in the Eastern Suburbs Football Association, MPL Reserve Grade and finished the season 7<sup>th</sup> out of 8 teams. One higher position than the previous wooden spoon season.

They accumulated a total of 14 Points over 18 matches. 4 wins, 2 draws and 12 losses.

#### **Key highlights;**

A couple of particularly good performances was a 3-1 thumping of Glebe Gorillas where we dominated them throughout and played like Brazil at times, on the aptly named Brazilian Fields. It showed that this season's team were capable of putting teams to the sword and playing them off

the park. However, with an inconsistent starting 11 and squad available each week, it was challenging for the boys to repeat this performance week in week out.

Another match that particularly stands out for me was a battling 1-1 draw with Glebe Wanderers. We played some excellent football during this game which was pleasing to see but what was more pleasing was to see the team morale, togetherness and toughness to play for each other and the badge. This type of team performance was not one that the previous seasons players would have been able to produce. This left me proud to see the team have that fight in them and willingness to battle together for the full 90 mins even if we were unlucky not to get the win.

Star Players;

Coaches Player of the year, Chris Neville. Player's Player of the year, Richie Mulholland.

Special mention to the Captain, Graeme Ashton and Vice-Captain, Denis Holohan. The team and I appreciate your efforts this season.

I would like to thank the whole squad of players this year for their contributions to the team. None of the effort goes unnoticed. From the yellow cards, red cards, handbags on the pitch, the own goals, the individual worldies to the spectacular team goals. A huge respect for providing myself, the ultras and teammates a thoroughly entertaining season.

Achievements;

Finishing higher in the league than last season. Won more matches, scored more goals, conceded less goals. Played some sensational football at times that came from good training sessions and following instructions from coaches and teammates. A big achievement this season was creating a better team environment for the boys that is now the foundation to build on into next season and making sure we at least get a spot in the finals. Which has to be the overall goal for next year.

Conclusion;

The 2023 season was a rollercoaster ride for the MPL Reserve Grade, filled with highs and lows. Despite the challenges faced, they showcased their resilience, ability (in spells) and commitment to the beautiful game. Leaving the ultras and coaching staff eagerly anticipating what the future holds for this group of players next season. Up the Ressies.

**Calum McLelland Coach**

## WOMEN'S PREMIER LEAGUE REPORT

2023 saw us enter year 2 of a rebuilding phase for the Women's Premier League side. We managed to retain a core group from 2022 and added continually to the squad up until the 30<sup>th</sup> June registration cut off.

Pre-season showed a definitive improvement on 2022 and this continued into the first month of the season with an unbeaten start through our first 4 league games. Unfortunately our momentum and growth as a collective was ill-served by the numerous cancelled games – this disrupted our ability to get into a cadence on game days and in training. This was then compounded by playing a third of our season in 15 days after a month without a game; additionally we saw some awful injuries depriving us of players across the whole of the season. Like many other teams we were also impacted by people taking the opportunity to visit family overseas so had a constant changing of the game day squad, which in turn also saw constant changes to combinations across the pitch and robbed us of the consistency that served us so well through preseason and the early stages of the season.

The club also featured in the inaugural Sapphire Cup, with an enjoyable midweek game against Umina seeing the club appear on a state-wide stage.

The final table did not reflect the effort and closeness of most games, but we enjoyed memorable wins throughout the season including a 1-0 victory over last season's premiers Sydney University. As always, the camaraderie, positivity and culture of the squad shone through— a highly engaged squad of players who were there for each other throughout the season. Another highlight was Tanya Kennedy making the Sydney Swans squad for the AFLW season, a fitting reward for her dedication and commitment to her sport and harnessing of her talents.

Planning is underway for the 2024 as plans for year 3 of the rebuild swings into action with making the finals the goal for us.

Player's Player of the Year was awarded to Leah, who excelled across the season and led by example at all times. Coach's Player of the Year went to Audrey, whose commitment and willingness to play nearly every position on the pitch were matched by her undeniable skill.

**Jim Welsh, SJ Cody** Coaches

#### **ALL AGE MEN'S 1 REPORT**

After a great preseason with lots of players coming down to trial we formed this team which had a difficult task ahead of them but all the boys were keen to do what they needed to try and accomplish something this season.

We started off with a loss which was followed by a fantastic win which we thought would push us on for the rest of the season but unfortunately that wasn't the case. We didn't struggle this season and we didn't underperform, sometimes things just don't go your way and for us, that was the majority of our season.

In the middle of the season we went 10 games without a win. 3 draws and 7 losses with every loss being by just 1 goal. During this time every single player stepped up. We trained hard every week with very good numbers and worked on many things as a team trying to eliminate any weakness and the boys took to this extremely well. Despite our best efforts we couldn't quite find the winning formula and if you were to look at the table you would probably say we failed but as the manager I don't think that.

We fought for everything on the pitch and we deserved maybe a bit more than we got but that's football.

My personal highlight for the season was every week.. every week before, during and after. The team made some lifelong friends this year and that's our biggest takeaway and that's a victory in itself. I'm extremely proud of every lad that put the jersey on this season it was an honour to be their coach.

Where we struggled this year was the lack of coaching experience. Training went well but during the games we needed someone on the sideline sorting the team but with people being away alongside injuries I was on the pitch quite a lot.

Secondly we didn't have someone who was going to put the ball in the back of the net and that's what gets you up the table and with next year looming that will be our main target to find a goal scorer

My most improved player would have to be cian Gormley. He came to the team after not playing for many years and when he used to play it was in goal so when he started playing outfield there was a lot to learn for him. To Cian's credit he took everything he was told in his stride and by the end of the season was one of the first names on the team sheet, and at 31 in division 1, that's no easy feat

My player of the season is undoubtedly Mark Doherty. He was an absolute monster for us on and off the pitch and helped many of the underperforming players find their form and a lot of the good work the team did came from him.

I will also mention William Fraser because he helped me out tremendously throughout the season and really showed the team what needs to be done as a captain.

All in all I'm happy with the season despite finishing last in the league which is hard for me because I just want to win win win! But the team grew this year, individually players grew and it was great to be parry of, I'm extremely proud of each and every one of them After a great preseason with lots of players coming down to trial we formed this team which had a difficult task ahead of them but all the boys were keen to do what they needed to try and accomplish something this season.

**Matt Phelan Coach**

## **ALL AGE WOMEN'S 2 REPORT**

After a compelling end to the 2022 season and top 4 finish, hopes were high for 2s this year. We sacrificed Audrey and Liz to WPL but recruited well with Ash, Bigga, Sara and Sami joining.

Our season was off to an inauspicious start with keeper Jess (and 2022 Golden Glove winner) gone for the season without kicking a ball. A dedicated keeper is such a team asset and all the team (and coach) and some O30s rallied to cover. Particular mention must go to Niss who admirably and bravely did more than her share. It took a while for things to pick up with the season ending loss of Carol occurred 2 games in. Our healthy squad of 18 became 16 and we were mainly short staffed thereafter.

Good things come to those who wait and it took us until the last game of the season to get a 3 pointer which lifted us to finish 5th on the ladder. Our lowly final ladder position belies everyone's efforts and the football intelligence of the team who demonstrated week after week on the training paddock their true skill sets. Unfortunately training ground confidence did not always translate to match days. Despite that, teams had to play well to beat us and had to play well for the full 90 minutes as we always came after teams in the last 10 minutes drawing games with grit and tenacity.

Results are not the only measure of success in Sunday football and the team is to be congratulated on their spirit, corporate mentality and pride with which they represented the Club, they were always a pleasure to coach.

Player's and Coach's awards were again difficult and keenly contested awards, many with equally deserving credentials. Congratulations to Monique and Cammie

**Alison Kelly, Richard Baldwin, Coaches**

## **ALL AGE MEN'S 5 REPORT**

The 2023 season for the AA5's was overall a great success with the team making the grand final but unfortunately ended in heart break with a loss in the final. The squad this season was made up with majority of the squad from last season, a few familiar faces from years gone by and four new faces.

The season started off with 5 preseason games with the squad gaining 2 wins out of these. The AA5s this season entered the Men's 05 Trophy. This competition start off with a 2-0 win against South East 04 with goals coming from Harry Hackney and Kevin Doyle. Unfortunately in the next round we lost 3-1 to Coogee 03 with the goal coming from Chris Clinch.

On the 16th of April we played our first game against Maroubra Gold with Randwick coming out on top 13-0 with goals from Ciaran (4), Chris (2), Jack Leyland (2), Eduardo (2), Anto, Jayden and an OG. The following week we played Mascot Kings and ran out 4-0 winners with goals from Ciaran, Chris, Jack Leyland and Eduardo. Third game of the season was another 4-0 win against Lokomotiv Cove A with goals from Chris (2), Harry, Eduardo. The fourth game of the season was a 5-0 win against Queens Park with goals coming from Anto (3), Ciaran and Jack Phelps. Unfortunately for the squad this was the last game our right back Luke Addison played for the club as he returned to the UK.

We suffered our first defeat of the league season 2-1 against Coogee with our goal coming from Jack Leyland. The squad then put in a solid performance with a weakened squad to draw 0-0 with Eagles. The following week the squad travelled to Lokomotiv Cove B in what turned out to be a very tight game but Ciaran's two goals clinched the win. Unfortunately on our next outing we suffered a 5-3 loss to Maroubra Green with our goals coming from Ciaran, Anto and Eduardo. The next game was a midweek game under lights against UNSW which we grabbed a 4-2 win with goals from Jack Leyland (3) and 7s player Chris Keogh. Mascot Kings were next up for the AA5s and despite going 3-1 up early the game ended 4-4 with goals from Alex (2), Eduardo and an OG. Lee Marshall did grab his first goal of the year unfortunately he scored for Mascot. The next week we got back to winning ways with a 5-2 win over Lokomotiv Cove A with goals from Anto, Alex, Kevin, Eduardo and Daniel. Queens Park were up next and we ran out 8-0 winners with goals from Jack Leyland (3), Anto, Ciaran, 7s player Ryan (2) and Lee finally scored in the right goal this time around. A 1-1 draw with UNSW with the goal from Ciaran left us 2nd in the league. Coogee we're up next in a very tense game where with 10 minutes remaining goals from Jack Leyland and Alex gave us all 3 points.

The next game was a top of the table clash against South East with the winner all but guaranteed to win the league. The game ended 2-2 with Ciaran grabbing both and with that result South East won the league. Our final league game was a 7-0 win against Lokomotiv Cove B with goals from Anto (2), Ciaran, Kevin, Eduardo, Harry, Ben, and our goalkeeper Conor. This put us through to the

semi final where we played South East. A very entertaining game ended with AA5s grabbing a 3-2 win and putting us into the final. Goal were scored by Ciaran, Harry and Alex. The Grand final was play on Heffron Astro and unfortunately we lost 1-0 to a very good South East Eagles team.

I would like to thank all the players who played for us this season and who helped us out when we were short players. Also special thanks to Ciaran and Gavin who managed the team for 5 weeks while I was away in Ireland.

Hope to see ye all back for the 2024 season in the AA4s league.

**John Culkeen, Coach**

### **ALL AGE MENS 7 REPORT**

After an initial strong turnout in trials, numbers plummeted for the start of pre season games. Just a few weeks out from the start of the season though and the makings of a very good team came together.

The first two games were a tough start, two 3-1 losses. But the signs were there, when the team starts clicking we'd be onto something. Things started to turn in week 3 and we got our first win. As the season progressed an 8 game streak without loss including 6 straight wins set us up for a strong 2nd place finish. Being the only team to beat the top of the table three times through the season.

A disappointing end came in finals, despite having the double chance, in two very tough games we were knocked out.

Players Player award went to star centre back Nicholas Madew. Comfortably winning the award with his week in week out dominating displays at the back. Also a free kick scored from near the half way line to cap the performance.

Managers Player award went to Ryan Tomasulo. In that run of 8 games undefeated, Ryan scored and/or assisted in all of those games. Not quite making the 10 goal mark, he played his part in more than 10.

Most improved player of the season would have to go to two players, Brent Galea and James Torrecampo. Brent playing his first season of football in about 10 years. Threw himself into it, and showed a constant desire to learn, messaging and asking for advice away from training and games so he could put in extra work to improve. James is one of the most coach able players I have encountered. A focus on simplifying his game took him to new levels this year, he became remarkably consistent and added new things to his game. Something of note about both James and Brent is also their undying commitment to the team, Brent in particular was a real glue guy for the whole squad with his never say die attitude and relentless positivity.

I look forward to taking this team again next season and building on it again.

**Hayden Gawley, coach**

## **OVER 30 WOMEN'S REPORT**

The 2023 season started much like a lot of the 2022 season- in the pouring rain! Our first match was fortunately played on synthetic so unlike most, it went ahead. We were pleased to welcome Nat and Bec back into the squad after they missed a season (or 3) as both scored in that wet, first

game, resulting in a 4-0 win. We were off to a cracking start and were feeling confident going into the next game against Coogee, where we scored first but unfortunately went down 4-1. We were pleased to score and proud of the goal, as it was the only one conceded by Coogee for a good chunk of the season. The next game saw us go down 5-1 to Mascot but we still had plenty of confidence and got a win in the next game against Glebe 4-1.

With just 5 teams in the O30 Women's comp, the ladder was set after the first few games, and we were firmly in the middle. The results continued much in the same way throughout the season with the exception of a well fought draw against Mascot midway through. As with the previous season, we lost players to injury and overseas adventures during July and August and were extremely grateful to the over 30's players from the AAW2's who propped us up. We just scraped 11/ 12 players in many games during the second half of the season and still put in a strong effort. We were inspired, along with the rest of the country, by the Matilda's and the Women's World Cup.

We finished third on the ladder and went up against Glebe in the first round of finals. We had just 10 players and it was an exceptionally hot day at Chifley. Both teams dug deep and with a 2-2 score line at 90 minutes, we reluctantly went to extra time. Sally scored a penalty followed by goal of the season off a free kick and we were through to the second round of finals. We gave it our all against Mascot but were outplayed and finished the season with our second biggest defeat. The team was still smiling, and I was incredibly proud of each and every one of our players.

It has been a pleasure to coach this group of amazing women and I look forward to getting back on the pitch with them next year!

**Mel Silva coach**

## **OVER 45 MEN'S REPORT**

I'll get the bad stuff out of the way first. We did finish bottom and we didn't win any games, but I still reckon we had a really good season.

For a start, we had loads of players, 27 I think. There was only one game where we had too many for the match sheet, 21, and a lot of people volunteered to take that week off, so we ended up with only one sub, which ended up being our smallest turnout.

I was happy that Rich's prediction that we'd only have 9 of the 27 players available by the end of June didn't happen.

Even though we didn't win any games, we did draw 3 and held our own against every team. It was good get smashed with cricket scores the way we did a few times in the last few seasons. We scored a good handful of goals. All of them were crackers. Dave, Julian. Alojz & Simon all scored stunners from outside the box. Bank scored a brilliant volley from out of nowhere and Deano got his usual few goals.

Big call out to all the new Players to join the team this year, they all made a big difference. Thanks to everyone who dressed and undressed the fields.

Voting was very clear for our players player of the season. He scored one of those brilliant goals and was unsubbable in a 27 player team - Dave Daneher

Coaches player is a brand new player was also runner up for players player. He identifies as a centre back. We haven't had anyone like that for many years. He actually knows what he's doing. I know me and Ben and Julian really appreciated that. Congratulations Alex Christie.

Looking forward to 2024  
**Stephen Nogher**, Manager
